KUALA LUMPUR: Petrosains launched the annual Petrosains Science Festival 2017 (PSF 2017) on Sept 7 at the Petrosains Discovery Centre at Suria KLCC here.

A plaque of appreciation has also been awarded to strategic partners, including the Malaysia Digital Economy Corporation

(MDEC) as it came on-board as the official community partner.

To coincide with PSF 2017, MDEC and the Ministry of Communications & Multimedia Malaysia (KKMM) will be holding the first #mydigitalmaker Fair 2017 at Kuala Lumpur Convention Centre Sept 16-17.

The Fair is one of many ini-

tiatives by MDEC to help promote digital making amongst students, teachers and parents, and help transform young Malaysians from digital consumers into digital makers of the future.

The PSF 2017 was launched by YM Tengku Nasariah Tengku Syed Ibrahim, Chief Executive Officer of Petrosains.
